WELCOME

TO THE DUNDEE UNITED SUPPORTERS' FOUNDATION

The DUSF is a new fan run organisation with the main
objective to get our club back competing at the top level by;

- 1 Providing a regular financial contribution to the Club.
- 2 Strengthening the relationship and increasing the
influence supporters have in decision making at the Club.

For this to work we need your help as the Foundation can only succeed if
enough fans support it so that the money raised can make a real difference.

A company has been formed and all proper governance arrangements are
in place so that the cash collected and how it is spent will be transparent to
members.

Foundation funds will only be released to the club at a time the members will
decide through a one member one vote ballot.

Importantly, a strong Foundation may encourage any potential interested
investors, and will be a vehicle through which fans can become actively involved
in the ownership of their football team.

In the 50's and 60's the Taypools scheme was vital in providing a steady flow of cash to redevelop the stadium and provide funds to buy players. This helped propel United into Europe, and become the top team in the city.

With your backing, we believe the Foundation can be just as important today in re-establishing United to the top level in Scottish football, please consider giving it your support.
